**Sponsored by Macy's Montgomery Mall, Bethesda ~ Passes honored at all Macy's Stores**

This unique one-day-only shopping event was created by Macy's to support the fundraising efforts of local nonprofit and school organizations. Shop For A Cause offers a simple way to raise money for educational and musical programs, theatre, athletics, or virtually any school program that needs funding. Since 2006, school groups and other community charities have raised over \$34 million for their causes!

The concept is very simple. Macy's Montgomery Mall will provide Holy Trinity Episcopal Day School with shopping passes to sell for \$5 each. **HTES will keep 100% of every ticket sold. The more passes sold, the more money raised for the Annual Fund.** Also, with the purchase of each pass, you will receive a ballot for a chance to win a \$500 Macy's shopping spree.

The exclusive all day shopping pass includes 20% or 10% off all sale and clearance items and select regular priced items (except specials and super buys), plus 25% off one regular, sale or clearance item in men's, women's or kids apparel, accessories or selections for the home. Some exclusions do apply; however, there are exceptional savings to be had throughout the store and it is a fantastic fundraising opportunity for Holy Trinity.

So come out and enjoy an exciting day of spectacular discounts, entertainment and special events while supporting Holy Trinity. Find the magic of giving back, as Macy's celebrates a national day of support for our community.

LaDonna Gordy, a HT Parent and Merchandise Team Manager for Macy's at Montgomery Mall, generously co-ordinated this fundraising event for Holy Trinity. She also has offered to be the contact ([lrbgordy@yahoo.com](mailto:lrbgordy@yahoo.com)) for further information regarding Shop for a Cause.

Kick start and save on your Holiday Shopping and more on Saturday, October 16<sup>th</sup> by using the Macy's Shopping Pass all day. This pass can be used at any Macy's Store; however, Macy's Montgomery Mall is the largest Macy's in the area and has specialty departments that are not available at other Macy's.

To pass this opportunity for great savings along to relatives, friends, and co-workers, why not purchase several using this pre-order method?
