HT ELITE TRAINING ACADEMY

Holy Trinity is proud to offer the HT Elite Training Academy Basketball training in our state of the art, air conditioned facility in a safe environment located in Glendale, MD. Our basketball summer camps are under the direction of Coach Phil Newsome. Coach Newsome is well known in the area as one of the best youth coaches for boys and girls. Coach Newsome played college basketball and has since coached county, middle school, and AAU teams for over 30 years.

Some of his recent players are currently at Elizabeth Seaton, Bishop McNamara, Sidwell Friends, Maret, Bullis, Severn School, The Potomac School, and Georgetown Day. He has a Graduate Degree in Human Resource Development, specializing in maximizing human performance at the individual, group, and organizational levels. He selectively trains men and women basketball players at all levels, stressing fundamental skills, basketball IQ, and leadership. During his summer camps, he is joined by current high school, college, and professional players to maintain a low player to coach ratio, making sure that every player gets personalized training that improves their game.
