Band

This supply list is for ALL 5th and 6th grade students regardless of instrument. The only exception on this list is that percussionists do not need the clip-on microphone for the tuner. I will place both options below. All wind and brass students DO need the clip-on microphone. There are some instrument specific supplies that you should purchase for your instrument located on the band welcome letter which you will need before camp. Please do not hesitate to send me an email if you have any questions. Supplies below:
