2024-2025 COMMUNITY REPORT

## OUR MISSION

Holy Trinity: An Episcopal School (HTS) educates preschool through eighth grade students by offering a challenging and supportive environment where students can excel in academics, spirituality, fine arts, and athletics. The School encourages students to achieve independence and embrace responsibility. Holy Trinity is dedicated to fostering an inclusive and innovative learning environment that motivates students to explore and nurture their talents and to become compassionate lifelong learners.

### STATEMENT OF DIVERSITY

At HTS, diversity informs our ability to respect and value the self-worth of others. Respecting our Episcopal values, we seek and celebrate diversity in all its forms—including, but not limited to, race, religion, gender, culture, sexual orientation, socio-economic status, learning strengths, and interests—and work daily to provide an environment where the richness of our differences empowers, educates, and elevates us as global citizens.

## OUR VISION

THE BEST YOU Ever faithful to our Episcopal values of academic excellence, spiritual and moral formation, and inclusiveness, HTS will apply new thinking and best practices in education. Inside and outside the classroom, we will nurture, teach, mentor, coach, and inspire boys and girls of diverse backgrounds and abilities to become their best selves. Confident in word and action, our graduates will be compassionate, confident, caring, empathetic critical thinkers in life and in their communities.

### NON-DISCRIMINATION POLICY

HTS does not discriminate on the basis of sex, race, color, creed, gender, sexual orientation, physical disability, or national origin in its student programs or in its consideration of applicants and hiring of faculty or staff. It does give priority in admissions as follows: (a) members of Episcopal Parishes; (b) siblings of students enrolled or previously enrolled; (c) students of current faculty/staff; (d) students of HTS graduates; (e) all others.

### DEAR HOLY TRINITY COMMUNITY,

The motto, *The Best You*, is more than just words at Holy Trinity. Every day, our students illustrate this motto through their actions and growth. Fourth grader safety patrols step up with pride, helping open car doors each morning, while Daisy Lane children offer leadership and inspiration by guiding prayers during chapel services. Members of The National Junior Honor Society model enthusiasm for leadership by seizing each opportunity to serve peers and the school community.

A strong and unique sense of community defines Holy Trinity. This environment acts as a true training ground for leadership. It challenges students to think deeply, care for each other, grow in confidence and to develop skills that last a lifetime. Through many moments big and small, our Hawks show a commitment to making a positive difference both in school and beyond.

Growth of this kind requires support and intention. The Annual Fund plays a vital role in bridging the gap between tuition and the true cost of delivering this exceptional education. The support of our families and community makes it possible to invest in professional development for talented teachers, maintain outstanding signature programs, and enhance campus facilities for every student. Words cannot fully express the gratitude felt for every investment in our School. These investments help create a place where each child is empowered to thrive.

Thanks to your partnership, noticeable and positive change will continue at Holy Trinity. The students remain at the very center of this work, and the coming year will bring new opportunities for them to shine as learners and leaders. Every act of generosity and belief in our mission shapes the community and strengthens student leadership as the cornerstone of all we do.

Thank you for making a lasting difference in the lives of Holy Trinity.

With gratitude,

DEANDRE CALHOUN

Head of School

The 2024-2025 Development Campaign was a great success as our community shared their time, talent and treasure and surpassed our fundraising goal! The Annual Fund for Excellence is Holy Trinity's year-long philanthropic endeavor that allows our community to continue uplifting and enhancing our School for our young scholars. As tuition covers just 80% of our operating budget, we rely on gifts made to the Annual Fund to help offset the costs of the remaining 20%.

This charitable initiative facilitates a well-rounded program that includes exceptional courses of study, outstanding fine arts and athletics, and essential professional development opportunities for our faculty

and staff. Additionally, the Annual Fund assists with maintaining affordable tuition and ideal student/teacher ratio in our classrooms while also augmenting financial aid.

Our fundraising activities during the 2024-2025 Development Campaign supported The Annual Fund for Excellence through initiatives like Sponsored Spelling, Math Mania, 5k Rhythm Run, and HT Theater, Athletics, and Music fundraisers.

We are grateful to have raised \$108,121 in our 2024-2025 school year with the help of our community of families, friends, sponsors and donors. We could not have done this without you!

## Sponsored Spelling

Holy Trinity's annual Spring Sponsored Spelling fundraiser achieved remarkable results as we collectively surpassed our goal of \$25,000, raising a grand total of \$25,221! Our Sponsored Spelling fundraiser is a written spelling bee that Kindergarten through eighth grade students participate in. Students and parents solicit their families and friends for sponsorship donations to their individual fundraising pages.

Students who raised \$150+ in kindergarten and \$250+ in first through eighth grade received gift cards as a reward for their fundraising efforts. Congratulations to our 60 students that met or surpassed their fundraising goal!

The highest fundraiser, K. Gardner, raised \$2,395 with the help of her family and friends! Congratulations and thank you to the Gardner Family and friends for your support!

## 5k Rhythm Run

On May 3, 2025, Holy Trinity launched and hosted a new annual fundraiser — the 5k Rhythm Run! Students, parents and faculty gathered at the Glenn Dale Community Center and raced, raising funds in support of our Annual Fund for Excellence and band program. With a \$25,000 goal, our community and sponsors collectively raised over \$30,000! A heartfelt thank you goes to Dr. Victor Shin, our head of High School Prep, as he envisioned and brought this plan to life. We are also grateful to our many generous sponsors, whose support was instrumental in the success of the event. The 5k Rhythm Run showcased the strength and spirit of the Holy Trinity community.

It is always inspiring to see all three sides of the Learning Triangle — students, parents and teachers — come together in support of our shared mission.

### Thank you to our 5k sponsors!
